This project consisted of the new construction of a 71,000 square foot Senior Housing facility providing 52 residential units, a commercial kitchen, dining areas, a country kitchen, a beauty salon and common areas. Extensive site work and landscaping, including a pond, were also part of this project. Above from left to right: Views of the common area dining room, the library with custom bookshelves, made by Hawk Hill Cabinetry & Millwork, a formal private dining room, a beauty salon and a smaller country style kitchen.
