Mary Nemeth, Vice President,  
Rutland Regional Medical Center  
(802)747-3633

Architect: Stephen Maslack  
Rutland, VT  
(802) 775-1214

Project Manager: Peter Breen  
Superintendent: Michael Potter  
Completion Date: May 2002

This project consists of a wood-frame, single story, slab on grade structure designed to provide exam rooms and doctors' offices for the expanded Brandon Medical Center. Highlights of this project include an intricate HVAC system and custom cabinetry by the craftsmen at Hawk Hill Cabinetry & Millwork, a Division of Naylor & Breen.
