

NAYLOR & BREEN BUILDERS, INC.

Rutland County Human Society
Pittsford, Vermont

Naylor & Breen was the construction manager on this project consisting of extensive renovations and an addition. The scope of work consisted of renovations to the existing building with updates to the administrative office area.

A new larger building was added with animal kennels and veterinary hospital space.

Naylor & Breen performed all of the site work, concrete, carpentry, roofing, drywall and painting.

Our Hawk Hill Cabinet Shop fabricated the cabinetry for storage and in the reception area.
