

# NAYLOR & BREEN BUILDERS, INC.

Kehoe Conservation Camp Dining Hall  
Castleton, Vermont

the interior finishes, a full commercial kitchen, a dining hall and offices. Naylor & Breen relocated a walk-in freezer and cooler to this new building. Hawk Hill Cabinetry & Custom Woodwork completed the bookshelves and trophy cases.

This was a two phase project for Naylor & Breen. Phase I included the site work, full basement foundation and exterior shell in which N&B performed all of the work.

Phase II included
