

NAYLOR & BREEN BUILDERS, INC.

Spring Lake Ranch Cuttingsville, Vermont

Naylor & Breen has worked on several projects at Spring Lake Ranch at various times over the past twenty years.

The first large project consisted of the renovation of the Main house (seen on top left). A two-story wing was added to accommodate a full commercial kitchen and large dining area.

The Noyes House (middle photo) was added as a dorm for residents as the ranch continued to grow.
